1. Nematov Ramazon head of Kulyab zonal CoES made an opening speech and reviewed about the last REACT meeting. And the participants introduced themselves.
 2. The head of CoES of Kulyab zone Nematov Ramazon reported on heavy rains of April 2009 and its damage. And he also mentioned that in the result of heavy rains of 20, 21st of April the level of water in Tebalay channel increased and flood partly damaged 33 houses in Kuybishev, Lohuti and Charmgari poyon streets.
He briefed about the mudflow in Khuroson district and informed that in the result of mudflow in Khuroson district 22 houses completely destroyed and 59 houses are in an accident condition. That's why with the order of Hukumat of Tajikistan all organizations and governmental institutions should contribute for responding to this event. For responding to flood event of

Khuroson district it is opened a charity cash account. The working staff of CoES of Kulyab zone are going to make contribution from their salary.

3. Madina Aliberdieva from Oxfam GB briefed the participants on European Commission national Conference which will be conducted on 12th of May 2009 in Dushanbe. All organization who are implementing projects which is supported by DIPECHO should prepare brief report on their project activities, challenges and lesson learnt. This report should be send to Zubaidullo Karimov. On 5th of May 2009 we will meet in CoES of Kulyab zone and discuss about our project implementation and prepare our reports for European Commission national Conference
4. Disaster Risk Reduction project coordinator of Mission East, Christohpe Belperron informed the participants that in 10 schools of Kulob and Vose districts Mission East organized evacuation points and supplied them with vitally important equipments. For responding to any event REACT partners can use them.
Mission East with the collaboration of CoES and Babilon Mobile are making awareness building on prevention and reduction of emergency situation via TV Tajikistan.

Amrullo Mirzoev from WFP mentioned that WFP are responding to flash flood of Khuroson district and with the proposal of deputy of chairman of Khuroson district WFP supplied the victims of flash flood with food for 20 days and 106 camps.
There is luck of kitchen equipments for cooking food. People need construction materials, kitchen equipments and fuel.

Navruz Sayvaliev from Red Crescent also mentioned that Red Crescent was the first organization who responded to flash flood of Khuroson and supplied with 35 tents.
In Kulyab town there exists a warehouse with emergency equipments for rapid response. But unfortunately because of luck of donors this warehouse will be relocate from Kulyab and I propose REACT partners for assisting to solve this problem.

Next meeting is scheduled on 25th of May 2009 at 10⁰⁰ in CoES office.
