IMPLEMENTATION PROGRESS – ENERGY SECTOR

Energy sector:

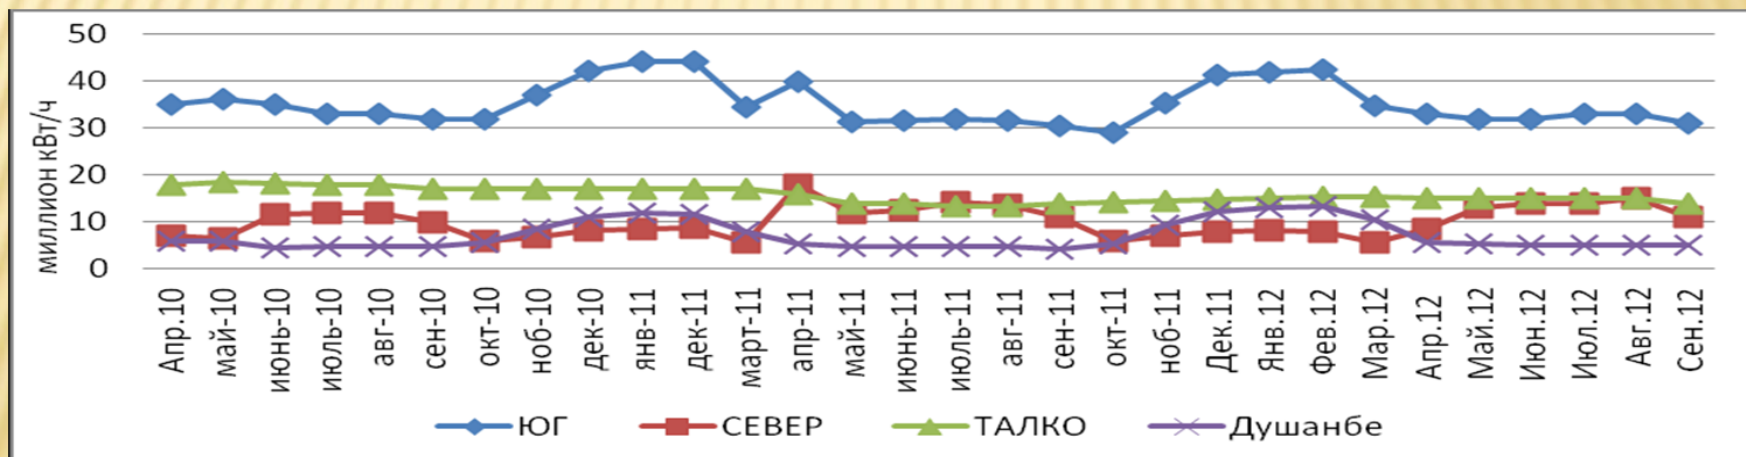

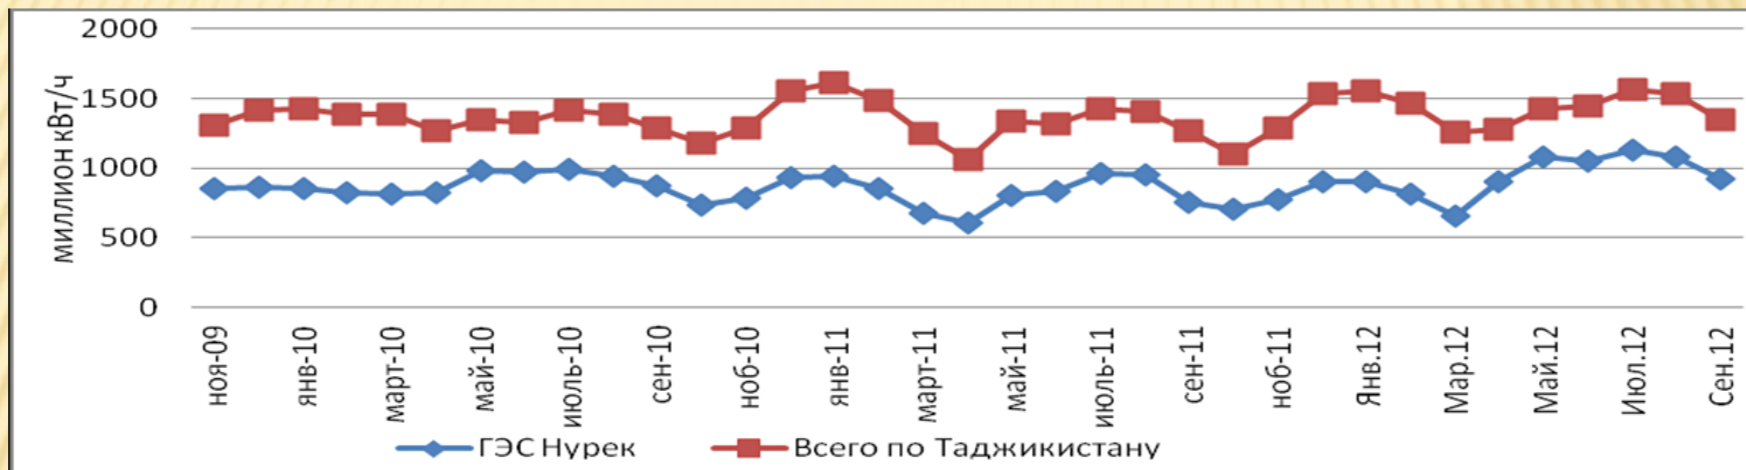

During 9 months of 2012, **314215 ton of coal** produced, which is 142942 ton (219%) more in comparison to last year (171273) .

For provision of population with coal and gas the following achieved:

- 722 points of coal and 295 of gas established in Sughd
- 589 points of coal and 121 points of gas in Khatlon region
- 62 selling points of coal and 11 points of selling gas established in GBAO.

Electricity supply rationing (10-14 hrs/day) introduced in rural areas since beginning of October to preserve water level in Nurek HPS reservoir for winter season electricity generation.

Production and consumption of electricity in Tajikistan

IMPLEMENTATION PROGRESS - EDUCATION

35244 MT of coal (95,5% of the needed quantity) and 55205 m³ of fire wood (93,8% of the needed quantity) were reserved for heating in education facilities.

№	Facilities	Coal (Mt)			Fire wood (m ³)		
		Planned	Prepared	% of im/n	Planned	Prepared	% of im/n
1	Secondary Schools	35685,9	34146,3	95,7	56766,0	53246	93,8
2	Boarding Schools	187,2	197,2	105,3	547	508	92,9
3	Universities	363,0	328	90,4	290	259	89,3
4	Colleges	637,3	572,3	89,8	1251	1191,7	95,3
Total:		36873,4	35244	95,5	58854	55205	93,8

IMPLEMENTATION PROGRESS – HEALTH SECTOR

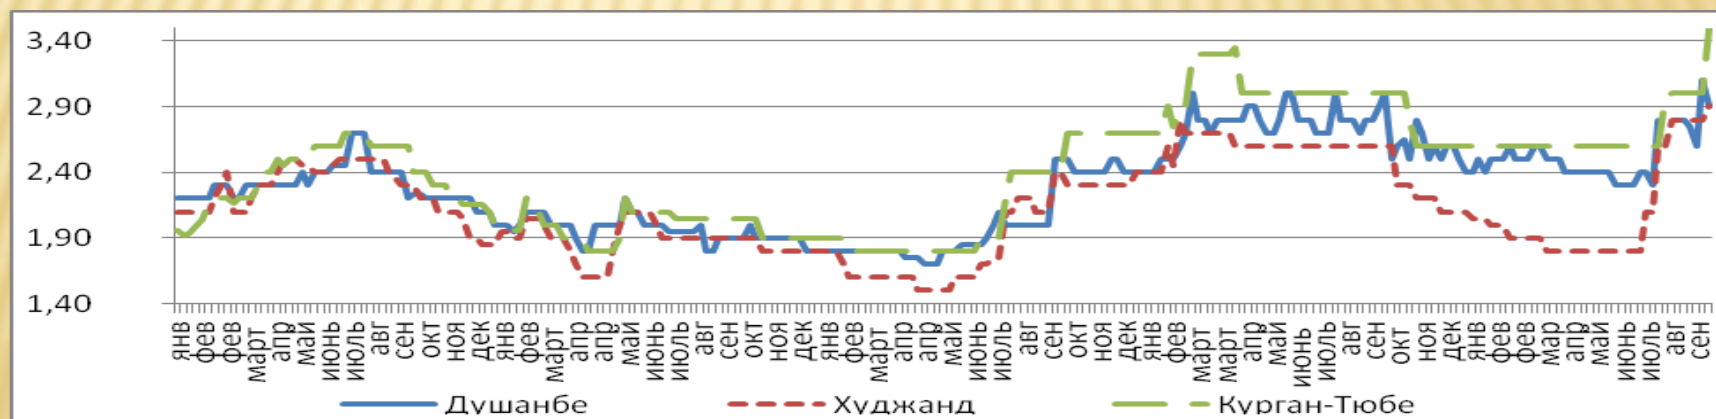

6052,7 Mt (85,6% of needed amount) and 6268,5 m³ fire wood (80,9% of needed amount).

№	Regions	Coal (Mt)			Fire wood (m ³)		
		Planned	Prepared	% imp\d	Planned	Prepared	% imp\d
1	Gorno-Badakhshan	1017	682,7	65,2	1780	1018	57,2
2	Khatlon	918,1	641	69,8	3110	2163	69,5
3	Sughd	3375	3187	94,4	1502	1590	106,0
4	Direct Rule Districts	1542	1274	82,6	958	1069	112
5	Dushanbe	65	204	314	110	175	159
6	National–level facilities	139	148	106,5	284	289	105
	Total	7056,1	6052,7	85,6	7745	6268,5	80,9

IMPLEMENTATION PROGRESS – FOOD SECURITY

- 1118,4 thousand tons of wheat flour produced/imported (156,2% of the requirement)
- Price of wheat flour is constantly increasing.
- Consumers' Union and Agency for State Reserves are stockpiling basic commodities in the regions.
- MoU on lifting fuel export fees signed with Russia likely to reduce commodities costs, unlikely to take effect in the coming winter.

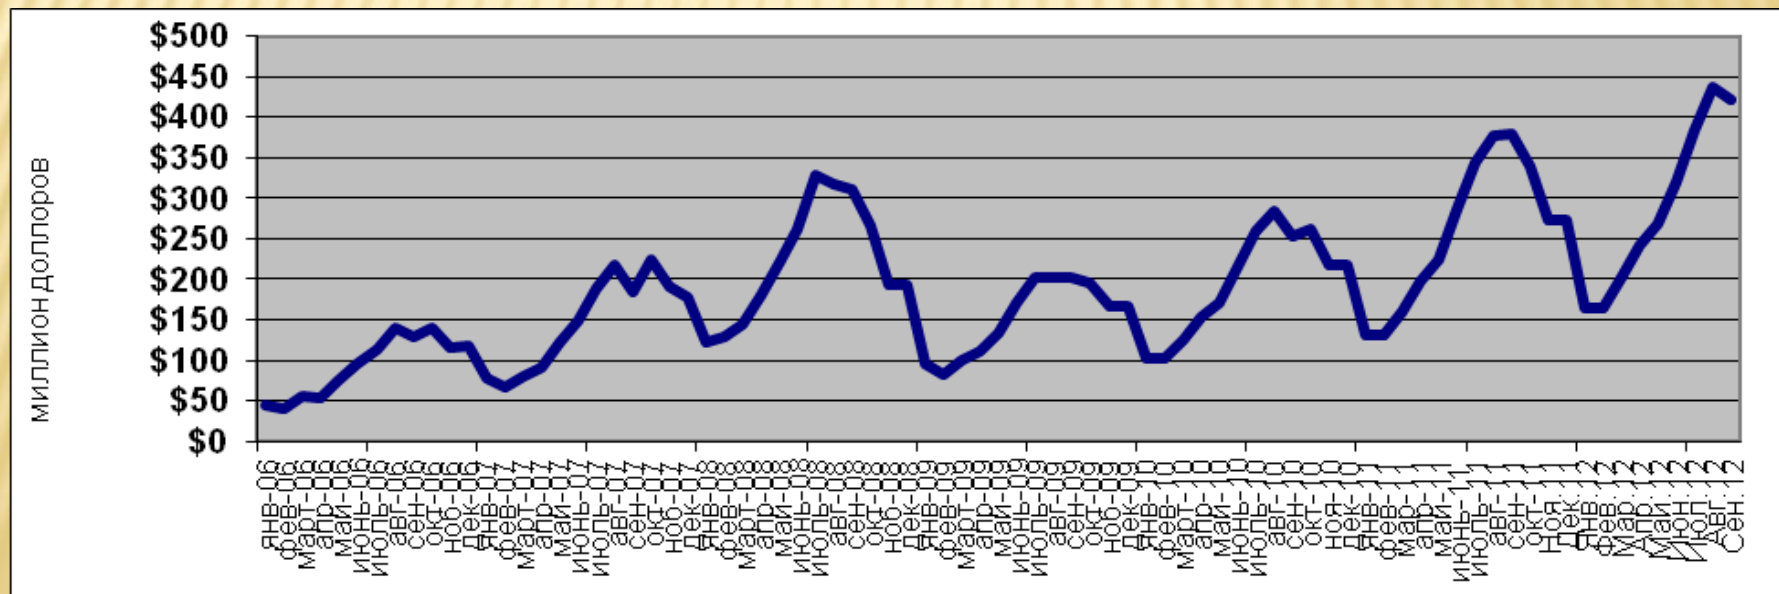

Wheat Flour price (Jan 2008 – Sept 2012) Somoni/kg

IMPLEMENTATION PROGRESS – MIGRATION

Seasonal reduction in remittances due to migrants' return for the winter season to affect households.

Monthly money transfers, january 2006- September 2012 г. (million of USD)

Thank You
