

RCST Response

humanitarian needs in G

The map displays the Gorno Badakhshan Autonomous Region, outlined in red. The region is divided into two main colored areas: a light blue area in the northwest and a larger light green area covering the rest of the region. Several locations are marked with black icons representing communication or emergency services, each accompanied by a small red circle containing a white letter 'C'. These locations include Jirgatal, Farkhod, Varj, Murghob, Rushon, Shughnon, Khorog, Roshqala, and Ishkoshim. The text "Gorno Badakhshan Autonomous Region" is written in blue across the center of the map.

A partial view of the Tajikistan coat of arms is visible on the right side of the slide. It features a circular emblem with a red sun-like symbol in the center, surrounded by a black border containing the text "ҶИМЛИ АХ" at the top and "ТАЖИКISTAN" at the bottom.

Starting of response: 24th July 2012

At HQ level

- Coordination meetings with IFRC, ICRC, PNS, WFP, WHO, FOCUS, UNDP DRMP, UNICEF, UNOCHA, GIZ
- Process of call for Disaster Response Emergency Funds was started (DREF)

At Khorog branch level

- Staff and volunteers were mobilized (12 NDRT and 48 volunteers)
- Situation and needs assessments
- Rendering First aid to affected and wounded population
- Distribution of non-food items to affected population was started
- Distribution of first aid kits to affected families was started
- List of beneficiaries to be prepared

RESULTS

- **Needs assessment was conducted in 6 micro-districts**
- **First aid was rendered to over 150 people**
- **Over 10 families were assisted with NFIs**
- **130 First aid kits were distributed to most affected families**
- **With the support of the ICRC, 50 first aid kits for RCST volunteers, one medical kit for war wounded (1,100 kg of dressing material and specialized drugs for 50 injured patients) and 522 bed-linens were transported from Dushanbe to Khorugh city branch and donated to the regional hospital of Badakshan**
- **Disaster response emergency funds (DREF) was received**
- **Coordination mechanism with stakeholders was established**
- **List of 1,620 beneficiaries was prepared in cooperation and agreement with local government and representatives of affected sites**

RCST Plans

- Provision of supplementary food parcels for 1,620 affected families (9,720 people) in Khorugh city.
- Provision of hygiene kits for 1,620 affected families (9,720 people) in Khorugh city.
- Psychosocial support will be rendered to some 7,000 people who were worst affected by the recent events in GBAO.

The logo of the Tajikistan Red Crescent Society is a circular emblem. It features a red crescent and star in the center, set against a white background. The emblem is surrounded by a grey border containing the text "ХАЛҚОЛИ АҲМАРИ ТОҶИКИСТОН" in Cyrillic at the top and "TAJIKISTAN RED CRESCENT" in English at the bottom, separated by small dots.
